

Dear Friend of Summerseat:

Summerseat Farm is an historic farm of 127 acres located in Mechanicsville, MD whose original land grant dates back to June 30, 1678. Over the years, it passed through several hands and eventually was sold in 2001 to the group who was to become Summerseat Farm, Inc. in order to save it from falling into the hands of developers. It is an IRS designated 501(c)3 nonprofit organization and run solely by volunteers, receiving no support from the county or state. Income is from fundraisers, memberships, and donations.

The yearly Summerseat Membership Drive is now underway with several membership options designed to fit your budget. Operating and maintaining this property including an 1884 manor house with several outbuildings is a very expensive proposition. The membership drive is an important part of Summerseat's administrative work. You can make a difference by purchasing a yearly membership to maintain this part of St. Mary's history. If you have previously supported Summerseat, thank you. We hope you will continue to help us in the future. Check our website, www.summerseat.org, for more details and pictures about us and our history.

A Membership Form is attached below to complete and return with your payment. A membership card will be sent to you. Thank you for your consideration and support, both in the past and the future.
